LETTER OF RECOMMENDATION

SOLUTIONS FOR TOMORROW AB regularly collaborates with translation agency **BTD SERVICES** in the field of specialist translations in different language combinations. The materials sent for translations include mainly medical equipment manuals and specifications.

Based on our experience so far, we can definitely say that the assigned projects are always carried out diligently and on time, maintaining the highest quality of translations.

Therefore, we consider **BTD SERVICES** to be a fully reliable, trustworthy and recommendable language service provider.

Yours sincerely

Anna Kowalska

Product Manager
